PACER'S work on behalf of all members of the adoption community is financed almost solely by memberships and donations. We invite you to continue supporting this work by renewing your membership today!

Benefits of PACER membership include:

- **Subscription to our triannual newsletter, mailed to your door**
- **Support group meetings for adoption triad members – adoptees, birth parents, and adoptive parents**
- **Discounts on PACER events such as conferences, workshops, and film screenings**
- **All the resources of our website, www.pacer-adoption.org, at your fingertips**
- **The satisfaction of giving back to the adoption community and supporting efforts to reform adoption laws and practices**

PACER offers an additional benefit to adoption professionals:

- **Inclusion on our website so members of the adoption community can find you and avail themselves of your services***

And of course, we welcome any additional donation you'd like to make in support of our work, including your time as a volunteer!

* May require a simple vetting process by our Therapists Committee.

Please fill out this form, include your check payable to "PACER," and mail them to the address below. NOTE: PACER promises to keep your contact information confidential and to use it only to bring you the benefits listed above.
